Mambo Room

Across the rooms on our 4th Floor, sunlight streams over the Brazilian cherry floors and hidden, one-of-a-kind treasures can be found tucked in each room. At 6,000 sq. ft. and a capacity of 125 guests, there is no shortage of celebrations that can happen within its walls. We only book one event per floor, so it's always a private event. Pick either the Mambo or Jitterbug Room or just rent out the entire floor if your party grows bigger than expected. The Common Areas are on us and include a curved fuchsia bar, the Herring Room (a nod to the days when they packed herring in these buildings) and a seating area with a vintage couch.

Catering

The Preferred Caterers that work with Catalyst Ranch offer delicious catering options in any style service. Each of the Preferred Caterers specialize in different types of cuisine, reflecting the diversity that Catalyst Ranch celebrates every day in our creative environment.

Location, Location, Location

Originally the site of historic Haymarket Square (where the world's labor movement began) and the meatpacking district, the West Loop has evolved into a lively neighborhood of cutting edge businesses, restaurants helmed by world-famous innovative chefs and a bustling nightlife thanks to popular music venues, art galleries, wine bars, brewpubs, outdoor cafes and nightclubs. The neighborhood retains its historic flavor of 1880s buildings situated on a boulevard with the back streets still plying the old meatpacking trade. Greektown borders on the south edge, providing a totally different ethnic Chicago experience.

Catalyst Ranch is easily accessible. Planes, trains and automobiles, buses and El stops are all close to our venue. We also work with a nearby parking garage for discounted parking.

Lodging

If your guests need a place to stay, there is a wealth of accommodation options in the area or within a 5-7 minute cab ride, with more opening every day. Catalyst Ranch works with a group of select city hotels for a preferred rate on sleeping rooms. Reserve a block of rooms at a property so your guests can all be in the same location.
