

Life Celebrations at Catalyst Ranch

Sure, we throw a heck of a party for weddings and mitzvahs. But those are almost always large productions...

What about those **smaller occasions** that our lives present us with?
Engagement parties. Marriage proposals. Memorials. Anniversaries. Reunions.

We are absolutely the right place for these smaller celebrations. They're momentous and meaningful, and they deserve to be celebrated with the uplifting energy of our space!

Let us help you put together your small gathering—with us on your team, it'll be a cinch!

Rental Charges

Our pricing is easy to follow and there are no hidden charges. What you see is what you get, and then some! Catalyst Ranch includes extensive support as part of your room rental charges to help ease planning stress. We are available to guide you every step of the way and will be your partner through the entire planning process. Think of the Catalyst Ranch Events Team as your chums, your cronies, your collaborators.

"I can't thank the team at Catalyst Ranch enough for the exceptional service. We had some complex needs that shifted countless times, and she handled it all with grace. The space was amazing, the food was delicious, and everyone we encountered helped us with a smile on their face. Thanks again for taking such great care of us."

Rooms on our 4th Floor

Mambo Room

Across the rooms on our 4th Floor, sunlight streams over the Brazilian cherry floors and hidden, one-of-a-kind treasures can be found tucked in each room. At 6,000 sq. ft. and a capacity of 125 guests, there is no shortage of celebrations that can happen within its walls. We only book one event per floor, so it's always a private event. Pick either the Mambo or Jitterbug Room or just rent out the entire floor if your party grows bigger than expected. The Common Areas are on us and include a curved fuchsia bar, the Herring Room (a nod to the days when they packed herring in these buildings) and a seating area with a vintage couch.

Combine these rooms for up to a 125 person event

Jitterbug Room

4th FLOOR

Rooms on our 5th Floor

This is the perfect party space with enough room to dance, mingle and celebrate! The expanse of color combined with more traditional brick creates a memorable and unique experience which doesn't lose the familiar mood of your dream occasion. The Polka room offers plenty of space for a dancefloor, band or DJ. The floor also offers a large open area filled with comfy chairs and even video game systems (Nintendo, anyone?) We only book one event per floor so the place is all to yourself!

Catering

Our Preferred Caterers offer delicious catering options in any style service. And they all readily offer individual boxed meals to ensure guests' safety! Ask us for our own pre-selected and simplified menu options that provide you with an easy breezy way to pick the right food.

Location, Location, Location

Originally the site of historic Haymarket Square (where the world's labor movement began) and the meatpacking district, the West Loop has evolved into a lively neighborhood of cutting edge businesses, restaurants helmed by world-famous innovative chefs and a bustling nightlife thanks to popular music venues, art galleries, wine bars, brewpubs, outdoor cafes and nightclubs. The neighborhood retains its historic flavor of 1880s buildings situated on a boulevard with the back streets still plying the old meatpacking trade. Greektown borders on the south edge, providing a totally different ethnic Chicago experience.

Catalyst Ranch is easily accessible. Planes, trains and automobiles, buses and El stops are all close to our venue. We also work with a nearby parking garage for discounted parking.

A destination and an experience to write home about!

Lodging

If your guests need a place to stay, there is a wealth of accommodation options in the area or within a 5-7 minute cab ride, with more opening every day. Catalyst Ranch works with a group of select city hotels for a preferred rate on sleeping rooms. Reserve a block of rooms at a property so your guests can all be in the same location.
