"I can't thank Arin and her team at Catalyst Ranch enough for the exceptional service. We had some complex needs that shifted countless times, and she handled it all with grace. Catering

The Preferred Caterers that work with Catalyst Ranch offer delicious catering options in any style service. If you are looking for a plated meal, passed appetizers, buffet style, or stations, any of our caterers can execute to perfection. Or ask us for our own pre-selected and simplified menu options that provide you with an easy breezy way to pick the right food.

Location, Location, Location

Originally the site of historic Haymarket Square (where the world's labor movement began) and the meatpacking district, the West Loop has evolved into a lively neighborhood of cutting edge businesses, restaurants helmed by world-famous innovative chefs and a bustling nightlife thanks to popular music venues, art galleries, wine bars, brewpubs, outdoor cafes and nightclubs. The neighborhood retains its historic flavor of 1880s buildings situated on a boulevard with the back streets still plying the old meatpacking trade. Greektown borders on the south edge, providing a totally different ethnic Chicago experience.

Catalyst Ranch is easily accessible. Planes, trains and automobiles, buses and El stops are all close to our venue. We also work with a nearby parking garage for discounted parking.

A destination and an experience to write home about!

Lodging

If your guests need a place to stay, there is a wealth of accommodation options in the area or within a 5-7 minute cab ride, with more opening every day. Catalyst Ranch works with a group of select city hotels for a preferred rate on sleeping rooms. Reserve a block of rooms at a property so your guests can all be in the same location.
