I recently had my wedding at Catalyst Ranch and cannot rave enough about how fabulous the space is and how helpful, efficient, and fun the staff was! We loved the campy, retro vibe of the Polka Room, which fit perfectly with our vision of a memorable, exciting, fun wedding reception. Everybody that we worked with from the event coordinator, to the assistants, to the security guard were truly kind and excited about making our evening the best it could be. We highly recommend this venue for any event that you might plan. The location is convenient, the space is awesome, and the staff is truly vested in helping you and your guests have the best possible time. We're still getting rave reviews from all of our guests!!

Jitterbug Room

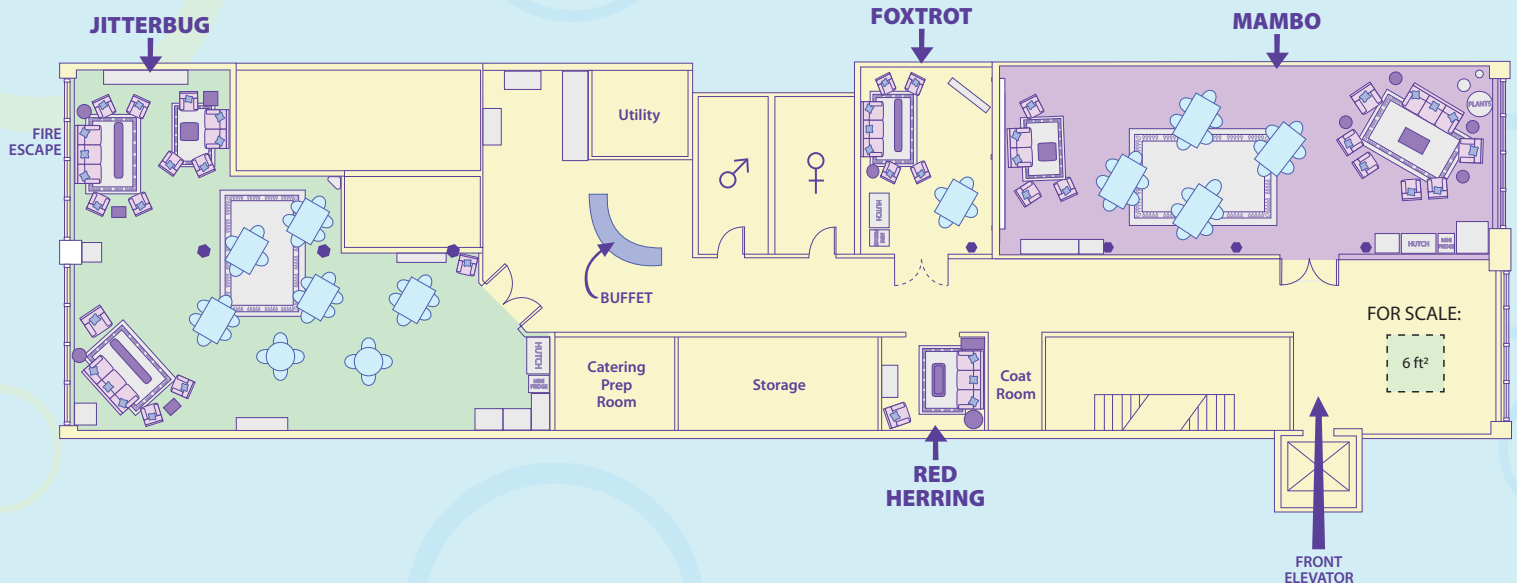

Combine these rooms for up to a 125 person event

Across the rooms on our 4th Floor, sunlight streams over the Brazilian cherry floors and hidden, one-of-a-kind treasures can be found tucked in each room. At 6,000 sq. ft. and a capacity of 125 guests, there is no shortage of celebrations that can happen within its walls. We only book one event per floor, so it's always a private event. Pick either the Mambo or Jitterbug Room or just rent out the entire floor if your party grows bigger than expected. The Common Areas are on us and include a curved fuchsia bar, the Herring Room (a nod to the days when they packed herring in these buildings) and a seating area with a vintage couch.

4th FLOOR

Lead Your Conga Line to the Fifth Floor

This is the perfect party space with enough room to dance, mingle and celebrate! The expanse of color combined with more traditional brick creates a memorable and unique experience which doesn't lose the familiar mood of your dream occasion. The Polka room offers plenty of space for a dancefloor, band or DJ. It's the perfect spot for a wedding reception or other large events like family reunions or retirement parties.

Location, Location, Location

Originally the site of historic Haymarket Square (where the world's labor movement began) and the meatpacking district, the West Loop has evolved into a lively neighborhood of cutting edge businesses, restaurants helmed by world-famous innovative chefs and a bustling nightlife thanks to popular music venues, art galleries, wine bars, brewpubs, outdoor cafes and nightclubs. The neighborhood retains its historic flavor of 1880s buildings situated on a boulevard with the back streets still plying the old meatpacking trade. Greektown borders on the south edge, providing a totally different ethnic Chicago experience.

Catalyst Ranch is easily accessible. Planes, trains and automobiles, buses and El stops are all close to our venue. We also work with a nearby parking garage for discounted parking.

Lodging

If your guests need a place to stay, there is a wealth of accommodation options in the area or within a 5-7 minute cab ride, with more opening every day. Catalyst Ranch works with a group of select city hotels for a preferred rate on sleeping rooms. Reserve a block of rooms at a property so your guests can all be in the same location.

A destination and an experience to write home about!
